### ABOUT OUR WORK

#### Positives

#### Wishes/Concerns

We all work together and help each other. we know how to play and hold the guitar.	We should practice the strings more.
we all played the chords faster.	we need to know how to move our fingers faster.
we manage to sing and play at the same time	
	Get them to play the chords faster and <del>begin</del> sing at the same time
	Do more work.
	Help each other with the chords
